ECLYPSE Youth Centre's Newest Location

Brampton, February 13, 2012. Rapport's Board of Directors and Staff would like to announce the Grand Opening of ECLYPSE Youth Centre's newest location. In an effort to provide youth with access to the services and support they require, ECLYPSE Youth Centre now provides services at 83 Kennedy Road South in Brampton (Kennedy Road, south of Clarence Street). This is in addition to its other location at the William Davis Centre for Families. This new location enhances ECLYPSE's long-standing approach to delivering collaborative services to youth close to home.

"In partnership with the United Way of Peel Region, and many other agencies, ECLYPSE Youth Centre's new location is going to assist youth in Brampton's highest needs communities," said David A. Clement, Rapport's Executive Director. "This is an example of funders and service providers coming together in a collaborative way to help youth succeed."

"Children in Peel can wait six to eight months for counselling and eight to ten months for day treatment services," says United Way of Peel Region CEO Shelley White. "As an organization committed to funding programs that strengthen families and assist youth in reaching their full potential, the United Way is proud to provide funding to Rapport Youth and Family Services. This funding is going to help expand programs and services at the new ECLYPSE location in Central Brampton and assist the agency in addressing underserved needs of youth in Central Brampton."

ECLYPSE Youth Centre celebrates its grand opening by hosting a ribbon cutting ceremony on Thursday, February 23, 2012, at 1:00pm at 83 Kennedy Road South. To confirm your attendance, please RSVP to info@rapportyouth.com.
